

HISTORIC PATH TO A BOLD FUTURE

THE CAMPAIGN FOR MICHIGAN OPERA THEATRE

Pursuant to a comprehensive strategic plan, the Board and Trustees of Michigan Opera Theatre launched a Historic Path to a Bold Future campaign in 2016 to invest \$50 million in exceptional artistic experiences, broad-based community initiatives, enhanced institutional efficiencies, and facilities improvement. This campaign is designed to ensure that the David DiChiera legacy thrives by positioning MOT for continued artistic success and community engagement well into the future. We thank the following individuals, businesses, and foundations for their leadership and generosity. As of September 15, 2020, more than \$43 million has been committed.

IN REMEMBRANCE OF OUR FOUNDER AND LONG-TERM GENERAL DIRECTOR,
THE DAVID DICHIERA ARTISTIC FUND
HAS BEEN ESTABLISHED TO SUPPORT AND HONOR HIS ARTISTIC VISION.

This fund enables Michigan Opera Theatre to produce compelling opera, present innovative dance, and engage with thousands of students and members of our community through our educational and outreach programs. Most importantly, it allows MOT to preserve David's legacy and his dedication to the young people of Southeast Michigan and young emerging artists from all over the country. To contribute or for more info, please visit www.michiganopera.org.

Michigan Opera Theatre gratefully acknowledges the generous corporate, foundation, and individual donors whose gifts to The David DiChiera Artistic Fund were made before September 15, 2020.
